Clark County Parks to Provide Childcare for UMC Employees, Requests Assistance from the Public for PPE

Clark County's Department of Parks and Recreation is going to provide child care assistance to employees of UMC so medical staff can focus on providing care to those affected by the coronavirus pandemic.

At this time, there is a National shortage of personal protective equipment (PPE). Clark County Parks and Recreation is reaching out to the public to donate masks, gloves, Clorox wipes, disinfectant cleaners and digital thermometers to help keep staff and participants safe.

Those willing to assist can bring supplies to the Sunset Administration Office located at: 2601 E. Sunset Rd 89120. For more information on how to assist, please call 702 455-8200 or e-mail ccparks@clarkcountynv.gov

###

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 13th-largest county and provides extensive regional services to more than 2.3 million citizens and 45.6 million visitors a year (2019). Included are the nation's 9th-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The County also provides municipal services that are traditionally provided by cities to 1 million residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development.
